

The Healer's Course

Part I Saturday, July 10th 10am-5pm

Part II Saturday, August 7th 10am -5pm

Heal Yourself & Help Others Heal

Ideal for massage therapists, reiki practitioners, nurses, caregivers, psychotherapists, teachers & anyone interested in learning more about balancing the self and others!

Learn Vital Techniques to help others heal effectively without feeling drained and without taking on the energy of dis-ease yourself.

*Are you a "Giver?"
Would you like to feel replenished after a day of work?
Are you able to stay Centered amidst chaos?*

This Course is a MUST for caregivers who want to maintain a healthy spirit!

A powerful course to refine your sensitivity, awaken your innate healing gifts and gain valuable techniques to help you ground and center yourself so that you have more energy to give.

Includes valuable handouts

Topics covered include:

Symptoms of being ungrounded
How to send & shield energy

How to center your energy & stay centered
Using the power in your hands to heal

\$89 each day or \$150 for both days with Registration by June 15th
Call 805-305-0046 for Info- Must Register by July 3rd

Instructor Constance Hart, Owner of the Conscious Colors Energy Center, is a master healer & has trained practitioners in metaphysics and energy balancing in California, Chicago, New York and Brasil. She has over 19 years teaching experience, and is a visionary in the field of energy balancing with many satisfied clients. She has also worked with major corporations in corporate settings teaching how to meditate and stay balanced mentally & emotionally.
